President Thank You

ASSP CWC Chapter Members, it has been an honor to serve as your Chapter President for this 2023-2024 session. I have enjoyed giving back to our safety community by holding this position and I hope you all feel that we had a successful year.

We are part of something bigger when we are involved with organizations that support us and our peers. The conferences, networking, resources, and opportunities are absolutely amazing. There are chances to get involved at the local, regional, and national level so don't hesitate.

My advice is simple, get involved and make a difference.

Always in your service,
Chapter President,
Steven Frost
